CLEARANCE WORK

Monday about twenty-five men under the supervision of Harold Smith started cleaning up debris left from the hurricane of a few weeks ago. At the present the men are working on Burlington Ave.

Fire Chief Ed Day wishes that everyone who has timber down, would come to the fire house and sign a release to allow these men to clean it away.

Assistant Fire Chief Winn Rice has charge of the control, and is keeping a fire truck hooked to a hydrant in case of emergency.

A WORD OF PRAISE

A word of praise to the Board of Selectmen and Town Clerk for the way in which they handled the election.

For the first time in the history of Wilmington returns were available at 10:45 P. M. Wilmington was also the first of the surrounding towns to make returns.

Many of the tellers and wardens were droopy-eyed at the finish but most of them agreed that the new plan of opening the polls at 5:45 was a success.

So, congratulations, gentlemen, on your foresight.

CONDOLENCE

Our condolences to Louis Cutter, prop. of the Silver Lake Pharmacy, and his family, on the death of his mother, Mrs. Edith Cutter.

Mrs. Cutter died following a short illness on Oct. 25th. Interment took place in North Reading.

Surviving her besides her husband and Samuel are three sons, Louis, Hartley and Simon; also one grandson.

TOWN BOWLING LEAGUE

The so-called "Democrat" (re-member them!) members of Huntley's team had hardly got over the results of the election when they were dealt another knockout blow, this time right between the eyes, by Buck Bros., who added insult to injury by taking all four points in a regular landslide. It is unbelievable, but true, nevertheless, the totals are all in, with no precinct to be heard from. After the smoke of the battle died away, Huntleys held a phibetite and all agreed they couldn't have lost to a better team than Buck Bros. The only "Democrat" in the victory column was Art Lynch, who turned in a 303 total, which stood out like Boston Light. The rest of the team total looked like a Democrat vote in a strong Republican ward. Harney McMahon had a 294 total, to finish second, though he may ask for a recount.

The Wil. Coal Co. continued on their victory march, by defeating the North End team, 4 points to 1. "Gut" Galka, who's work has been sensational all season, turned in another sparkling total of 338 to boost his season average to 111.6, which is going some. Freddy Doucette led his team-mates with a 292 total.

Benny's Radicals remained in the thick of contention by grabbing three points from the W. A. D. A. Both teams tied in the final string and on the roll-off the W. A. D. A. managed to win it, to get their own point. Tommy Bennett kept his team in the running with a 342 total but his mates all had an off night. Ben Harrison was the big noise for his team with 339.

The next meeting of the Wilmington Townsend Club No. 1 will be held at the residence of Mr. and Mrs. Edgar Shaw, Thurston Ave., on November 14.

One who has to read the paper or listen to the news broadcasts to note the tremendous gains that the Townsend Nat'l Recovery Movement is making. And why are we making these gains? Why are hundreds and thousands young and old alike turning towards the Townsend Plan? Simply because of the opportunity offered therein! Industrial and Social problems of today!

Will the passage of this bill (now pigeonholed in the Committee on Ways and Means in the House of Representatives) it would mean the only safe, sane, stable way, to create and forever maintain prosperity, happiness and contentment among the people of this nation, as it eliminates strike, strife and distress.

It also should be of vital importance to the youth of the nation because more opportunities are offered therein than any bill yet put forth.

It should mean good positions to those now in schools and colleges who at present have no future whatsoever.

All those interested in the formation of a Townsend Youth movement in this Town please call Wil. 8156 and those seeking information on the Plan read the Townsend Weekly or write to Henry B. Elliot, Hotel Savoy, Boston, Mass. "Lies"

WELFARE NEWS

The month of Sept., we had a total of 31 cases on relief, which cost the town \$637.90. The month of Oct. we had 21 cases on relief which cost the town \$417.34.

As can be seen our relief load dropped in the month of October. The biggest factor in reducing our relief cases, was the work which developed after the hurricane. We certainly appreciate this decrease, as we are going to need all of the money we have to meet the costs of our town cases, and also pay the bills on outside cases.

Mr. Patch and Mr. Porter have been forced to carry on without the aid of Mr. O'Leary for the past three weeks. Mr. O'Leary has been confined to the hospital, and no word as to how soon he will be released, has been received.
